

The Holy Spirit, Our Comforter

In this world of uncertainty, there is always a constant power in a believers life that leads him in a way that pleases and delights God. Though we often become unhinged, having the Holy Spirit in our lives restores and plants us on solid ground. According to Rev Dorcas, Satan is active in the world, and uses his power of darkness to tear down the confidence the saints have in God! Peace, she explains, is not fantasy, it is real. It is not found in many places we normally look for it in success, professional positions, promotions, social status, educational achievements, money nor an engaging personality! But the comforter is indeed real, very close and can be called upon in times of need.
