

## The Dating Tutor: Sashas Story

Sasha is perfectly content with her single status. That is until Matt Wendell walks into her life. Hes the best friend of her cousin, Alec, and the last guy she should get involved with. Shes learned that hearts are too easily broken, and Matt is known for his lack of commitment. Alec introduces the two under the strict instructions that Matt is to learn how to become friends with a woman. This task proves difficult, as Matt turns out to be charming, interesting, and everything Sasha could ever want in a boyfriend. Alocs instructions get harder with each passing day, yet Sasha isnt blind to Matts past. Is she willing to give her heart over to a self-proclaimed player? Can this non-committal hockey stud change his ways? Or will he end up breaking her heart?
