

# Enchanted

A book that takes you through the calendar year and show you how to create your own rituals for any event. As always the onus is on positive-mindedness and goodness to others; but this book goes beyond the simpler formats of HOCUS POCUS and BEWITCHED to provide the background knowledge you need to create a spell for any required result. Explaining the symbolism of dozens of traditional ingredients, ENCHANTED examines colour, smell, light, moon phases, the power of words and the most important thing of all - how to direct your mind to draw positive benefits. ENCHANTED is a source book for any serious practitioner or Wicca who wishes to experience a sense of greater empowerment in life. As always, superb photographs from Sara Morris.
