

Father of the Groom Speeches

These e-speeches express the father of the grooms thoughts on his sons wedding day. They welcome the bride and her... family into his and mention some of his sons exploits during his growing years. They say how much his son means to him and how happy he is that he has found such a wonderful bride. They offer a few words of fatherly advice. They then end with a good luck wish or blessing. The short poems offer you the opportunity to finish your speech on a memorable note. They also include the extra bonus Wedding Jokes to add a funny note to your speech.
