

The 7th Day Humbling Of Mankind: The Beginning of the End of the Age

Author Ron Harmon does an unparalleled performance of presenting the suppressors and the distractors of the Truth along with the torch bearers of the Truth in his new book *The 7th Day Humbling of Mankind*. *The 7th Day Humbling of Mankind* will be the change that ushers America into a New World Government along with a One World Religion that will be the beginning of the end of the age. The Spirit of Truth will be revealed; deception will be exposed! In our abundance and wealth, Americans have become arrogant, haughty, over confident, and rebellious. We have no respect, appreciation, or concern for our forefathers dreams. Americans truly sit down to eat and drink, and rise up to play. We have put our confidence in man rather than our trusting in our God. In our own conceit and vanity, we defy and challenge our Creator. The love of money seems to be the motivating objective, purpose, and goal from our businesses, Wall Street, and churches. American Christianity has the mentality that they set the standards for the belief for the world that is especially designed for God, even superseding His Word. Does any of this apply less to Congress, the President, or Wall Street? Are we talking about the ones who practice lawlessness; in both Gods and mans laws? We are going into perilous times that none of us have ever seen. Already there is economic collapse all around us with many wise, mighty, and noble that are taking the spoils while our fellow countrymen are going into chaotic economic distress with job losses and foreclosures. The contempt of the third world countries for America is not unfounded. The anti-colonialism mentality of these countries believe America has taken and robbed their resources for profit and gain of America, Great Britain, and much of Europe. Barack Obamas book, *Dreams From My Father* will expose the Sellout of America by understanding the mindset of

anti-colonialism. The corruption, greed, and deception in our leaders globally will bring economic collapse to America and Europe. December 21, 2012 will be the mark in history whether acts of God or acts of man that will distinctly identify America before and after this date. You may be unconcerned. You may be an atheist, agnostic, and not even a Christian. You may not be a Jew and certainly not a Muslim. Nevertheless, you might take note that there is a coalition of nations that are forming against Israel that are perfectly prophesied in Ezekiel and Revelation. Now, who is going to be the military and political leader who is the great orator and will be the Leader in the New World Order unifying the world into one religion and directing their worship to himself, a type of Antichrist (beast from the earth), and to the Religious Leader, the Antichrist (beast from the sea)?

ABOUT THE AUTHOR
Ron Harmon is a first year baby-boomer, born March 21, 1947 at the Clovis Army Air Corp Base after his World War II Army Master Sergeant father returned home from Europe. Ron grew up on a high plains farm with a very strict work ethic along with the discipline of an extremely rigid protestant faith. His rebellion to the control of man was the appealing boom in business and culture in America in the sixties and seventies, to become a self-made man with freedom. Thus the beginning of his self-deception put in motion! Ron's keen understanding of our country's history and vast knowledge of the Bible is certainly reason to heed his message of truth in *The 7th Day Humbling of Mankind*. The depth of his perception in regards to our faith, economy, the Jews, Islam, the Arab Spring, the New World Order and the fast approaching December 21, 2012 is unequalled. Never before has there been a book so explicit in all areas and dimensions. Definitely a book that all Americans should read. Presently, Ron is a successful Real Estate Broker in Texas. He has his undergraduate and Graduate degrees from Abilene Christian University along with a Certificate in
