

Prophetic Waters for the Thirsty Soul

Are you thirsty for more of the presence of the Lord? This 30 day devotional is your perfect compass to a deeper place in your relationship with the Father. Prophetic writings and moments of reflection are the perfect coordinates to launch you further into the deep. Hear the voice of the Lord calling you from the place of intimacy with Him. This book is a must read for anyone desiring a powerful encounter with God and the ability to hear the Lord for themselves through prayer and the powerful revelation contained in the pages of this book. With an ear to the mouth and pulse of God, Latrice Leake is releasing an end time word and putting her hands to the plow in the Kingdom of God. Her desire is to turn the hearts of men back to their God through teaching, preaching, and prophecy. She is reclaiming territory in Jesus name by decreeing, declaring, and demanding that the altars of this world shall be the altars of our God. Her unique style and approach to delivering the word of God is fresh, exciting, and for the glory of the Father alone. We look forward to working the works of the Father with you, and building His Kingdom one heart at a time!
