

# High Performance Enterprise: Reinventing the People Side of Your Business

Advance Praise for the High Performance Enterprise The High Performance Enterprise is a must read book! The authors do an excellent job of establishing the link between the strategic and people sides of the business. Linda Keener, Production Manager, Hewlett-Packard Company The High Performance Enterprise helps you get the most out of the common element of all organizations people. The book guides you through the complexities of making your people the impossible to copy strategic competitive weapon. Stephen J. Frangos, Former General Manager Kodak Team Zebra (Black and White Film Division) Answers the stop-dead questions like how to compensate teams, what should we do with our vision, and what does performance really mean? Patricia Moody, Editor, Target Magazine The High Performance Enterprise provides a proven path to follow in reinventing the people side of your business. It is a must read for anyone about to tackle the sensitive, but very important people issues that ultimately impact a companys performance. Robert McDonald, General Manager, Aerospace Division, Boeing Canada Technology Ltd. The blood, sweat, and fears of reinventing the people side of the business should be of utmost importance in any organization. If you read this book, and it has no impact on you, the organization that you are responsible for is lost in transition. Frank Adams, Director of Personnel Radio Products Group, Motorola Neusch and Siebenaler have effectively pulled together the processes for linking the people, business, and technological systems crucial to competing in todays environment. Herbert E. Brown, Vice President, Vascular Access Products Critikon, Inc. (A Johnson & Johnson Company)
