

J&K 4Ever

A touching story about young lovers in a post-apocalypse. A powerful young love story set in the bleak badlands of a ruined civilization. Two young lovers determined to stay together even though love is prohibited. Jeyna and Kruge are orphans raised in an oppressive city orphanage under the control of a corrupt Warden. The City of Blulette is run on extreme fundamentalist lines. Boys are educated, girls are not. Sometime around 2017/18 a group not unlike ISIS irradiate the world's oil supply and all of civilization collapses. J&K 4Ever takes place sixty years later and the Ministers that run the city have banned everything. Electricity, even combs are an abomination and banished to the scraps. To stay together Jeyna and Kruge must flee to the wastelands, but coming after them are the cruel enforcers who will bring them back dead or alive. No one can ever leave Blulette.
