

A Chinese Economists Journey

The author has been introducing western economics, helping the top leaders of China with policy-making since the 1980s. He represented the top Japanese companies during the rapid investment boom in the USA in 1990s. In the worlds largest bank, he defeated the World Financial Storm and also experienced tragedy on September 11th. Now, he has continued to be successful at Citigroup during the USA mortgage crisis. This book is an incredible record of his legendary life.
