

## Happy Renovating - From Victim To Victor

Happy Renovating - From Victim To Victor is an information-packed how-to guide written by a woman renovator. Managing your home-improvement project doesn't have to hurt if you have the right knowledge, dedication and enthusiasm. Remodels, renovations and restorations can all be surprisingly fun. Happy Renovating offers tips and tales for home and life improvement from a homeowners perspective. Its support and ideas can help you:

- \* Find and buy a house to renovate
- Choose a house
- Choose a real estate agent
- Make an offer
- Get financing
- \* Plan the renovation
- Budget and schedule
- Choose your construction team
- Prepare contracts
- \* Start the work
- Keep safe
- Establish authority
- Manage workers
- \* Finish up the renovation
- Make punch lists and payments
- Research liens
- Recover losses
- Learn how real people can manage themselves, contractors, finances, and schedules to finish a project without finishing themselves off.

You will also get hints to save yourself time, money and actually enjoy your renovation. Renovation may present challenges, but don't be deterred. With the help of Happy Renovating, the problems can be handled with grace and ease. Your renovation journey can be both fulfilling and successful, just like life.
