

Prophecy: A History And How To Guide

Have you ever had a dream that came true? Or a vision of something that seemed very real and it later came to pass? If so you may already be sensitive to the future. This book covers the History of Prophecy, famous prophets, popular divination methods, then concepts about how Prophecy may work. The Author has experienced many visions and dreams of the future and uses his experience and insight to help you see yours. You too can learn to see the future, learn to control it, and avoid accidents.
