

The Little Giant® Encyclopedia of the Zodiac (Little Giant Encyclopedias)

Anyone who is fascinated with astrology-Chinese or Western-will find this super-thick sourcebook a must-have. First, straightforward explanation of both methods of astrology, symbols, charts, and a glossary of terms for each will help you understand where you fall in the scheme of it all. Then read about your specific sign or animal year to gain important insight into your character, with regard to: personality, appearance, behavior, work habits, love and sex, friends and partners, leisure interests, health. Use this valuable wisdom for entertainment, or as a tool for living harmoniously with your natural character. Whether East or West, Yin and Yang or Air and Fire, this giant astrology reference is guaranteed for hours of fun-and might just help lead to a better-balanced life.
