

The Nocturnal Witch Collection: Book of Shadows from the Shadows

Embrace the shadows and explore the dark side of magick with this boxed set of Konstantinos favorites. Nocturnal Witchcraft introduces how to work with lunar powers and spiritual entities that prefer the darkness. Learn to cast a nocturnal magick circle, skry the night, open the gates to the underworld, and use dark symbols in your night rituals. Expand your connection to the dark ether and the unseen world with Gothic Grimoire. This book features techniques and rituals taken directly from Konstantinos personal magickal notebooks, including the Nocturnicon, rites for overcoming obstacles that appear in the life of the nightkind. From astral travel to working with thoughtforms, The Nocturnal Witch Collection will help you connect with the positive side of the dark-ness.
