There is a linguistic riot going on the English-speaking world over, in the form of energetic, informal speech, extraordinary for its wit, quirkiness, and biting satire. The Dictionary of Contemporary Slang, the most comprehensive guide to slang, gathers more than 5,000 colloquialisms, puns, similes, metaphors, and double entendres -- from sex, drugs, and rocknroll; to fads, fashion, and cults; to taboos, obscenities, and euphemisms -- that have enriched our language for the past forty years. Most entries have multiple definitions that are enlivened by examples of usage.
