

The Power of Love: Connecting to the Oneness

Your goal while inhabiting human form is to manifest love in this physical dimension. Yet, like many a courageous soul who has chosen to tackle this difficult task, you may need to be reminded to activate this innate force that dwells inside you. In this fascinating book, internationally acclaimed medium James Van Praagh demonstrates that love knows no limits it is the power that holds together everything. Through vivid examples of various everyday situations in life and knowledge gleaned from the Other Side James shows you the process for activating this power . . . and thereby fulfilling your life purpose. Anxiety and worry will start to fade as you align yourself with loving thoughts. Decisions that might have preoccupied you before will become easier to make. Difficult events and people will not be drawn to you, because you are learning to release that magnetic energy. When you begin to consciously surround yourself with the energy of love and acceptance which is your natural state of being your journey in this physical dimension becomes much smoother, more purposeful, and more powerful. Be empowered with love . . .
