

The Survivalist Papers Volume 2014-1: Hatchet Job

The first in a series of survival-related Kindle eBooks under the banner of The Survivalist Papers, Hatchet Job covers 13 current hatchets, hawks, and hand-held wrecking devices as tools for survival in various scenarios from minor breakdowns in the wilderness to emergency first responders and full-blown EOTW situations, where chopping with the right tool can mean anything from building a signal fire through cutting your way out of a downed aircraft to use as a defensive weapon. Full descriptions, comparisons, and 107 color photos.
