

## Letter of the Secretary of War, Communicating in Compliance with the Resolution of the Senate of June 13, 1870, a Copy of the Report of Lieutenant ... the Department of Dakota, in 1869: December 2

Excerpt from Letter of the Secretary of War, Communicating in Compliance With the Resolution of the Senate of June 13, 1870, a Copy of the Report of Lieutenant Colonel Samuel B. Holabird, of a Reconnoissance Made by Him in the Department of Dakota, in 1869: December 21, 1870 The hauling by GK teams over the road would cost \$1 25 per 100 pounds per 100 miles in the best season, and \$1 50 per 100 pounds per 100 miles with horse or mule teams. From Benton to Ellis, in the hauling season, by present contract, the price per 100 pounds per 100 miles is 1 58. NO other buildings than those now authorized are recommended to be constructed at Fort Ellis, for the reason that these will suffice for the present. The country is settling so rapidly that the post will be of little use except as a depot to collect supplies, and one company will be a sufficient guard in such case.
