

## The Runners Guide to the Planet

Danish ultra runner Jesper Kenn Olsen has as the only human being in history completed two world runs (World Run 1 & World Run 2): east-west and north-south around the globe. Altogether six years of running an impressive 63,000 kilometers. Now and then he breaks the daily routine of running a marathon by signing up for ultra races he usually wins. This amazing accomplishment is the subject of this book. Jesper Olsen takes you along on his journey introducing you to many cultures and stunning landscapes around the planet.
