

The Souls Divine River of Life: Past Life Cases of Nightmares, Light Beings, Ancient Earth, the Fairy Realm, and Atlantis

Lee Mitchell continues to fascinate readers with actual past life regression sessions of cases involving the causes of present life nightmares. Read about light beings that are here today living as humans. You will also read of an Ancient Earth over one hundred thousand years ago. Learn how the early humans existed as through the eyes of one of Lees client as they revisit Ancient Earth. Lee Mitchell delves into several cases of detailed fairy realms lives as elves, pixies, and fairies. You will learn what their role, next to the human existence, is in our environment. Lee also takes you back, through her clients actual words, to a life on Atlantis and the details of its demise. She follows up with several of her clients to see how they are benefiting today from their session of regression work. Lee will also take you to many other traumatic cases of past life regression, such as humans that are experiencing their first lives on earth, and how they are coping with the realities of this planet. Join Lee on the journey of returning to ones soul state in a between lives session where the client is in a soul state and has left their body to meet their entire soul group, their Spirit Guides, and their Council of Elders. Hear the client tell Lee of their most important past life, their specialty group that they belong to in the spirit realm, and much more. Lees first book, The Souls Journey, was published in 2012 and can be found on Amazon.
