She will show that there is life after life and explain that spirits and other Heavenly Beings of Light exist in other places. Ruth Ann attempts to fully express through her experiences and photos how it is to live in a world where she can see and hear the Other Side on a daily basis. With her son David, Ruth Ann shares the connections that have been made spiritually with these spirits from the Other Side and explains why one does not need to have a fear of life and death and what is beyond. The book also attempts to bring peace of mind to those who have lost loved ones, that we go on, that the soul never dies, and that your loved ones are not at the cemetery but closer to you than you can ever imagine. Under the Rainbow Crossing attempts to release your inhibitions of the terror side of spirits and provide you with firsthand experiences of a woman and her existence of spirits and show you their meaning of love and goodness.
