

The Witches Tarot Book (Llewellyns Modern Witchcraft)

Inside this companion guide to The Witches Tarot deck are meditations and methods of working with the Qabalistic Tree of Life that you can use immediately. You'll learn the meaning of the mysterious pictures found in the Tarot, and learn to use those symbols in your meditations and magical work. You'll also find a new way of reading Tarot, and a complete description of The Witches Tarot deck, which is designed to include the Qabalistic symbolism in a way that speaks to Pagans. This guide includes complete descriptions of each card, as well as each card's Hebrew letter, astrology, color, scent, gem and Qabalistic path correspondences. Also included in this book are magnificent illustrations of the 22 Major Arcana by artist Martin Cannon. Ellen Cannon Reed shows how each of the cards are associated with one of the paths on the Qabalistic Tree of Life. She has gathered data from multiple Qabalistic sources and combined this research with her own knowledge of Wicca. This is the first book that clearly discusses the Tarot from both the Qabalistic and the Wiccan points of view.
