

## There Will Be Lies

Shelby Jane Cooper is seventeen, pretty and quiet. Its just Shelby and her mom, Shaylene, a court stenographer who wears pyjama jeans, stitches tapestry, eats ice-cream for dinner and likes to keep Shelby safe. So safe she barely goes out. So safe she doesnt go to school. Because anything could happen, to a girl like Shelby. Anything. When Shelby gets knocked down by a car, its not just her leg thats broken: Shelbys world is shattered. Her mom turns up to collect her and drives off into the night, like its the beginning of a road trip, like two criminals on the run, like Thelma and Louise or Bonnie and Clyde. And somehow, everywhere she looks, theres a coyote watching her, talking to her, telling her not to believe. Who is Shelby Jane Cooper? If the person who keeps you safe also tells you lies, who can you trust?
