

This Northern Sky

Kates parents are taking her on holiday with them to a cottage on a remote island in the Hebrides. Kate cant imagine anything more boring. But underneath her sulkiness, Kate is scared. Her parents have been fighting and she knows that for her parents this holiday is make or break. Once at the cottage, Kate escapes - outside, anywhere. And there she meets the warmth of the islanders, who are prepared to accept her and to listen to her. And possibly fall in love with her . . .
