

The Coming Three Days of Darkness

There shall come over the whole earth an intense darkness lasting three days and three nights... He, who out of curiosity, opens his window to look out, or leaves his home, will fall dead on the spot... The air shall be infected by demons who will appear under all sorts of hideous forms. (Blessed Anna Maria Taigi) What is the prophecy of the three days of darkness? Sacred Scripture, saints, and prophets, have foretold days of darkness to encompass the earth towards the end of times. What is the significance and meaning of this prophecy and are there current signs of the approaching darkness? Will demons be released from hell? Why is the number three significant? Are there ways to prepare for this dark prophecy? In this compelling book, author, Joanne Ballinger, examines these prophecies of the impending chastisement. Current events indicate this prophecy is closer than ever! We are living in dangerous and turbulent times. Divine Justice is imminent!
