

Money, Meaning and Beyond: 27 Unexpected Ways to Create What Really Matters for Business Owners (Wealthy Thought Leader Library)

Money, Meaning and Beyond is proof that unexpected everyday things can be the key to your success as a business owner... What do frogs, salad bowls and golf and even your sex life have to do with your business and bottom line? What is the fastest, easiest path to money that you can implement, today? How can a pink spoon mentality bring you thousands of clients? And when is the best time to strategically order chicken salad instead of tuna fish... to the benefit of your business? This book is the definitive answer to the ages-old debate: You don't have to have an MBA to understand - and be wildly successful at - how to run a business.
