

Todays Herbal Health: The Essential Reference Guide

Louise Tenneys best-selling title TODAY'S HERBAL HEALTH is now bigger and better than ever in its sixth edition, with a completely new and comprehensive explanation of herbs and their healing properties. This new edition covers both single herbs and herbs used in combinations, with up-to-date information on nearly 200 herbs. It contains concise, comprehensive listings of herbs, ailments and body systems, and covers standard medical treatments with possible side effects. Its a classic that should be in every herbalists reference library.
