

Running Colorados Front Range

This illustrated book offers runners of all abilities insights on the best routes in Denver, Boulder, Colorado Springs, Golden, Fort Collins, and areas east of the Continental Divide. More than 50 routes are described, from the popular paved loop in Denver's City Park to dozens of pastoral escapes. Also covered are regional races, running groups, and stores. Veteran runner Brian Metzler also shares his knowledge and advice on running at altitude, race training, and staying hydrated in dry climates on these magnificent Colorado trails.
