

Ouvriers de la Vie Eternelle (French Edition)

In this book, Andre Luiz deals with the principles revealed by the Spiritist Doctrine concerning life in the spirit world, where discarnate beings live a new life and prepare to return to the earthly journey. Death does not extinguish friendly cooperation, mutual aid, comforting intercession or evolutionary service. The vibratory dimensions of the universe are infinite, as infinite as the worlds that populate the immensity of space. No one dies. Far and wide, the quest for perfection continues. Life sprouts anew; it purifies and uplifts its multiple teams of servants, leading them in radiant triumph to Supreme Union with the Divinity.
