

Tucks Haunted House

Tuck is making a Haunted House for Halloween, and he wants it to be perfect. Its going to be full of scary stuff: a mummy, Ghouls Eyeballs, a Tunnel of Doom, an Icky, Drippy Forest . . . and a bratty little sister? No way! This is Tucks Haunted House, and Bunny, his sister, is too little to be scary. Or is she? The endearing star of Tuck in the Pool returns in a spirited Halloween story about two engaging piglets whose Halloween turns out to be even scarier and even better than they had planned.
