

Into the Pumpkin

The fun of Halloween comes alive in this beautifully illustrated children's book. The drawings, done each year by the author on the eve of Halloween, follow various Halloween characters as they prepare to celebrate this mystical holiday -- pumpkins, witches, bats, ravens, black cats, scarecrows, spiders, ghosts, and more. Should they have their party in the graveyard or the pumpkin patch? Should they dress up or simply go as themselves? Take a ride on the witch's broom and enter the pumpkin for a magical trip both you and your kids will not soon forget. Pre-K through 6th.
