

## Twosomes: Love Poems from the Animal Kingdom

Do animals celebrate Valentines Day? Nobody knows for sure. But this funny (and punny) little book imagines how some of them declare their love, affection, or friendship any day of the year. Nice to Meetcha! You smell delish!/Wanna share my water dish? So asks one tail-thumping dog to another. Whereas a courting dolphin sings, Come, leap with me and be my wife./Youre the porpoise of my life. Ranging from dogs and cats and other pets to some you wouldnt want to pet, such as sharks and porcupines, acclaimed poet Marilyn Singers captivating couplets and Lee Wildishs expressively humorous illustrations provide a Valentines Day gift for kids who wouldnt be caught dead being lovey-dovey. From the Hardcover edition.
