

Tying Dry Flies: The Complete Dry Fly Instruction and Pattern Manual

This book shows you how to tie the worlds most popular dry flies with speed, ease and efficiency. Tie like the pros-learn the commercial techniques and triple your enjoyment. Tying instruction is presented in a fun and easy to understand manner. over 800 concise macro color photos take you, step by step, through 26 demonstration patterns that are presented in a logical learning sequence. These patterns encompass all major adult foods of trout, including: mayflies, caddisflies, stoneflies, damselflies, midges, and terrestrials. Tying Dry Flies also offers fishing tips, interesting angling experiences of the author, a wealth of entomological and historical information, and beautiful angling art and illustrated tying instructions by Mike Stidham.
