

## Creating Lifetime Clients: How to Wow Your Customers for Life

The long-term success of any massage, spa or wellness business depends on building strong relationships with and recurrent sales from existing clients who not only come in regularly themselves but also refer everyone they know to the business. If you struggle to retain clients and re-book clients and find yourself wasting time, money and energy focusing on bringing in new clients then you must buy this book! You'll discover surprisingly simple and effective techniques for creating repeat and referral business from lifetime clients.
