

Flip Side of a Coin

This is a true story about the authors life. It is a very tense, graphic, explicit, in-depth and candid book of trials, tests, testimonies and witnessing to those who are hurt or have been hurt and the pain from past experiences. This story deals with love, anger, hate, trust, innocence, forgiveness, abuse, drugs, abduction, jealousy, sex, attempted suicide, molestation, and the gift of the Holy Spirit. Its about the struggles of one little girl growing up to adulthood and the situations she had to face and endure. At one point she tried to commit suicide but through all the suffering she encountered, she managed to make it. She survived by receiving Christ as her personal Savior when all else had failed. This book gives words of encouragement along with scriptures and touches on every age category. The author gives her personal thoughts concerning each segment of her life and hope that it will touch and change the lives of others and is not meant to judge anyone.
