

Engage Your Workforce

For an organization to successfully climb to the summit of success (productivity and profitability) it must have a clear vision and plan. There are no shortcuts and the organizations ultimate success will require an engaged workforce. Engge Your Workforce: Be A Leader -- Assert Yourself focuses on leadership skills for assertiveness, difficult conversations, and conflict resolution. William A. Howatt, PhD, EdD, Post Doc Behavioral Science UCLA School of Medicine, is recognized as an international strategic HR expert who works with organizations throughout the world to develop their most valuable resource-their people. Through his commitment to excellence, passion for learning, and teaching with a dash of humor he works with organizational leaders and teams to achieve results in their quest to manage and develop their talent.
