

## Crystals & Creativity: practical steps to embrace your inner artist

Embark on an inspirational journey of crystals and creativity to connect with your inner artist. In this book you will get to know several crystals which will open up, establish and expand your own creative source. You will be guided through a practical process to align with your creative spirit, unlock new ideas and progress on your path as an artist. Through meditating with crystals and completing artistic assignments, you will take the necessary steps to embrace your creative soul.
