

## Walk, Amble, Stroll: Vocabulary Building Through Domains (Level 1)

Walk, Amble, Stroll is a textbook designed for ESL/EFL students at the high beginning level who are ready to expand their vocabulary. It can be used in a class devoted to vocabulary building or as a supplementary text in a reading, writing, or integrated skills class. It can also be used for self-study by individual students. The goal in writing this book was to provide students with an efficient and enjoyable way to expand their vocabulary. The text introduces vocabulary through a concept and teaches words that are related to that concept. These groups of related words are also known as domains. The focus on concepts and word domains lends itself to a rich variety of activities that appeals to students with different learning styles.
