

# What Every Human Must Know: To Survive and Thrive on Planet Earth

Momentous changes, an ascension-of-sorts, are affecting the planet and all of humanity right now. Renowned metaphysical/spiritual author and channel, Virginia Essene, shares guidance from the heavenly realms for overcoming challenges and creating peace out of chaos. Discover how spiritual and physical levels, greater forces of light coming to the planet now, as well as the Photon Belt, Yuga cycles, crop circles and orbs are impacting personal, community, global, planetary and universal aspects of consciousness. This book shows you how to not only survive, but joyfully thrive, and be of service in these times of massive social, economic and planetary change.
