

5 EFFECTIVE SALES STRATEGIE: How Sale best and better

APTER 1 THE EFFECTIVE STRATEGIES 5 COMMERCIAL VEHICLE SALES. (*) We all know the difference between consumer goods and capital goods, the former is almost always acquired from subjective factors such as the taste for color or status that the product can offer, the second from objective factors, such as lower cost generating the highest return on capital employed. We consider operating cost the sum of the fixed and variable costs and within this last, factors such as fuel, lubricating oil, mileage planned for the first review and other factors, which will have its share of operating costs depending on the application factors, ie, if the use is urban, road, off road, etc. A seller of products of commercial vehicles, means the items below, which are the 5 effective strategies for sales of commercial vehicles. And to please Greeks and Trojans we merge strategies with mathematics: Sale of Phas
