

When It Hits the Fan: A Handbook to Surviving Anything

Every disaster is like lightning, you never know when or where it will strike next, but there are signs it may be close. Keep your family safe in any catastrophe with this comprehensive guide to emergency survival. Established author Larry Mullins has spent sixty years in law enforcement teaching survival classes. Now he shares his personal knowledge and expertise with you. Prepare yourself to Survive when the power grid crashes Decide when to stay at home and when to bug out Identify edible plants and other food sources Make your own tools, shelter, and fire Protect yourself from predators Whether youre facing natural disaster or civil unrest, when youre prepared, you have nothing to fear. Practical, thorough, and applicablethis is one handbook you cant do without.
