

Womans Right to Labor, or Low Wages and Hard Work: In Three Lectures (Classic Reprint)

Excerpt from *Womans Right to Labor, or Low Wages and Hard Work: In Three Lectures* More than two years ago, I conceived the thought of twelve lectures, to be written concerning Woman; to embrace, in four series of three each, all that I felt moved to say in relation to her interests. No one knew better than myself, that they would be only twelve baskets of fragments gathered up but I could not distrust the Divine Love which still feeds the multitudes, who wander in the desert, with five loaves and two small fishes.
