

The Teeny Tiny Ghost

Each day the teeny tiny ghost goes to haunting school to try to become scarier. Its hard work, though especially since hes frightened by his own screams! Then, one bat-black October night, the teeny tiny ghost is floating in his teeny tiny home when he hears a RAP TAP TAP on the door. And then he knows its up to him to keep himself and his teeny tiny cats safe. But what are the chances that a teeny tiny timid ghost will really be able to scare someone away?
