

## The Witches Almanac Spring 2004 to Spring 2005: The Complete Guide to Lunar Harmony (Witches Almanac)

Moonlight and mystery are major themes of the classical guide. A key to lunar harmony is presented in a detailed Moon Calendar. Wise astrological predictions form a vital part of every issue. This edition celebrates times passage with an emphasis on earth and its treasures. We probe the lore of Scottish stones, visit the Sorcerers Cave in France, and pay tribute to the Earth Mother. Our Timeless Traveler explores Malaysia and a resident scholar examines the mystic tradition in ancient Greece. African art and oracles, mushroom magic, Egyptian canopic jars, and the eerie legend of The Watchers are a few of the subjects covered in this issue. A perennial best seller - unusual, surprising, useful and entertaining.
