

The Lion and the Lamb and the Promise Foretold (Volume 2)

This is the second book in a remarkable trilogy. It is a fictional account of Mary as a young girl. The Lion and the Lamb and the Promise Foretold can be enjoyed alone or as part of the series. We may never know what Mary's life was like, but we do know that God used this one little girl to change the whole world. What could prepare the heart of a child who would grow to see her own son crucified as the sacrificial Lamb of God? In this sequel to the beloved Mary's Christmas, Mary struggles to cope with the loss of her beloved lamb, Starlight, as her family celebrates Passover.
