

Building a Pure Life: A Workbook for Counselors and Small Groups

Christians are crashing and burning on the runways of life. Through the TV, Internet, cell phones, newspapers, books, and magazines we are bombarded by the worlds temptations and attractions. The response of choosing isolation from the world doesnt work: we fail to reach the people God has called us to reach, and we find that the problem comes with us in the sinful desires of our hearts. The opposite extreme, becoming like the world, turns Christians into people who are irrelevant. So how can we build pure lives in this generation? The Word of God has the answers. This workbook is designed to be used by small groups, counselors, and individuals to help us get into Gods Word to find His help to be pure people in a world overcome with sensuality in all its forms.
