

Reading Lessons Through Literature Level 2

Reading Lessons Through Literature is a pick-up and go Orton phonogram reading program organized around the stories in The Elson Readers. Like other Orton phonogram programs, it focuses on teaching reading through spelling. First children learn the basic phonograms. Then they begin writing their spelling words, analyzing them, and reading them for practice. And finally, they begin to read stories which include the words they've learned. RLTL teaches 75 basic phonograms. In Level 2, the spelling lists are organized around the stories in The Elson Readers Book 1. Level 2 includes instructional material, the spelling lists, and The Elson Readers Book 1, so there are no additional readers to purchase. In Book 1, multi-syllable words are separated between syllables to help the beginning reader. An optional phonogram Workbook is also available through Lulu.com.
