

Public Speaking: Strategies for Success (6th Edition)

Normal 0 false false false
MicrosoftInternetExplorer4 As one of today's leading scholars in speech communication, David Zarefsky's revised edition offers rhetorical workout boxes to increase skills development, updated information technology to connect the theories and concepts of public speaking to everyday life and a student's view box so that students can learn from their peers. Public Speaking, places a strong emphasis on developing strategies and making choices. Reinforcing the idea that public speaking is a skill that can assist in helping students communicate in their personal, professional and social lives. Throughout the text, students are encouraged to think through and about the public speaking process, as well as consider the diversity of audiences, occasions, and speakers, enabling them to choose a specific purpose, a relevant topic, and the appropriate material to make their speeches successful.
