

L.O.R. via Malik Jordan

L.O.R. via Malik Jordan is a book that contains the letter of recommendation that Malik Jordan would write for himself to present to a potential boss. Everything in this letter of recommendation is true, but it is written in a way that makes it come off as entertaining, unbelievable, sarcastic, humorous, thought-provoking, and exaggerated. You'll soon learn that Malik Jordan is a true renaissance man, and he appreciates you for reading this amazing ebook written by the best author in the world, me. It is monumentally worth more than its current price.
